**Sunderland Promotes Integrity, Responsibility, Independence & Trust**

March 14, 2021

### **News this week**

Attached is a survey for parents who have Special Education services, SECAC Nomination Form and the Student Quarantining Document

- CCPS has provided a guidance document regarding the quarantining of students based on the updated requirements from Gov. Hogan. It is attached.
- CCPS is working on offering some form of a summer school program for students. Plans have not been finalized and will be by invitation to target those students who may be struggling. Once I have the final plan, I will communicate it to all and begin the invitation process. Stay tuned!
- Lots of Soaring Seahawks in this edition! Please share with your student if he/she received one! Celebrate!
- 5<sup>th</sup> Grade Yearbook Dedications: Please check out the FSO website to make your 5<sup>th</sup> grade dedication for your 5<sup>th</sup> graders! <https://www.sunderlandfso.org/5thgrade>
- Our Yearbook cover will be created by a 5<sup>th</sup> graders this year! Encourage your 5<sup>th</sup> graders to submit a cover to the contest! Check out the details at <https://www.sunderlandfso.org/contest>

### **Tech Tip from our Technology Committee**

**Headphones or earbuds** are a crucial school supply in this virtual environment. They block out noise and help the students remain focused in their learning environment. The noise and other activities around a student can be distracting for many students. Please invest in a pair of headphones, label them with your student’s name, place them in a Ziplock bag (also labeled with their name), and be sure they have access to them at school and at home. ***If you are unable to provide the headphones or earbuds for your child, please contact your child’s teacher so that we can help provide some.***

Remember to keep the student computers plugged in and open over the weekend to receive CCPS updates.

If you have any **device issues or need a replacement device**: email: [ccpsdevicehelp@calvertnet.k12.md.us](mailto:ccpsdevicehelp@calvertnet.k12.md.us)

If you have any **app issues, such as Schoology, Dreambox, Lexia**: email: [ccpsapphelp@calvertnet.k12.md.us](mailto:ccpsapphelp@calvertnet.k12.md.us)

***\*\*\*It has been recognized that if a student is not fully logged out of Lexia or active the entire time they are logged in, the program will not log their minutes.***

### **Yearbook:**

The 2020/2021 Yearbooks will look very different from previous years due to virtual learning. We feel it is a great idea to continue the tradition of the SES Yearbook so that the kids have a keepsake to look back on and reflect. To accomplish this, we will need all parents and teachers to help make this a memorable yearbook.

We have several parents who have volunteered to oversee collecting pictures from their children's class. If your teacher has asked for volunteers, please let that teacher know as soon as possible if you can help. Also, if you have any candid pictures that you have taken with other SES children at any special events, please send them to the email address for yearbooks [sesfsoyearbook@gmail.com](mailto:sesfsoyearbook@gmail.com). Examples of pictures we are hoping to

receive are any pictures that you have taken during an outing this school year with other SES children or siblings that involve sports, special events and/or candid shots.

Also, if you have taken any pictures throughout the school year while your child has been online during virtual learning, please include those as well. Every parent probably took at least one photo of what our virtual learning environment looked like at the beginning of the year, so please send those in as well.

When sending in the pictures, please include who is in the picture, grade, teacher, and event and a contact number in case we have any questions. Questions or pictures can be emailed to [sesfsosecondvicepresident@gmail.com](mailto:sesfsosecondvicepresident@gmail.com) and include "Yearbook" in the subject line. Thank you.

The FSO has developed a user friendly website that can be accessed through the Sunderland Elementary page at <https://sesweb.calvertnet.k12.md.us/parents/fso> **How can you support SES FSO??**

We would love to have every family join the FSO so if you would like to become a member, please click here: <https://www.sunderlandfso.org/membership>

**Support the Spirit Nights** at local restaurants where you support local business and our school! Check out the schedule: <https://www.sunderlandfso.org/spiritnights>

## **Counselor's Corner from Ms. Hilton: March 14, 2021**

- During the month of March, we will focus on “coping strategies” during Classroom Counseling lessons. It is so important for children to be able to recognize and name their feelings and know how to manage strong feelings! Ask your student what coping strategies they will practice! The books we will read in class this month are, *My Many-Colored Days* by Dr. Seuss, *Glad Monster, Sad Monster: A Book About Feelings* by Ed Emberley & Anne Miranda, *The Color Monster: A Story About Emotions* by Anna Llenas, and *Listening to My Body* by Gabi Garcia.
- Middle School registration forms will be sent home with “B week” 5<sup>th</sup> grade students on Monday, March 15<sup>th</sup>. Please review, sign, and return your student’s registration form NO LATER than Thursday, **March 18<sup>th</sup>** to ensure your child’s placement for middle school next year. I will mail home registration forms for “virtual” students this week. Directions for returning the form will be included with your student’s registration form. If you have any questions regarding middle school placement and course options, please contact Ms. Hilton at 443-550-9387. Below is a link to the 2021-2022 Middle School Planning Guide. The planning guide can also be found on the CCPS website under the “For Parent” tab.

<..\Home & School Connection\March 2021 Recipes for Success.pdf>

- Don’t forget to participate in “Happy Hearts” and email pictures of your hearts to Ms. Hilton!
- If you are interested in joining the SES School Counselor Schoology group (students are already added), you may use the following code: 7MSM-FRZ3-F5XMZ. The following video can assist you with this process: [https://www.youtube.com/watch?v=AY7Rh2Oi\\_0A](https://www.youtube.com/watch?v=AY7Rh2Oi_0A)

*The Sunderland Heartfelt program has begun! The Heartfelt program, supported by community churches, provides a weekly backpack consisting of small meals, snacks, and supplemental food items for the weekend. If your family would benefit from participating, please contact Ms. Hilton (443-550-9387; hiltond@calvertnet.k12.md.us).*

## **Past Information**

### **Details for Reopening for Hybrid**

- We have received many requests for students to return to school for hybrid and many returning from homeschooling. Please be patient with us as we adjust to have positions for your students. We have restrictions to stay under 15 total people in most classrooms, but some spaces are smaller and therefore permit fewer. Our number must include the number students and staff. We will make sure everyone gets a teacher but the timeline will vary depending on space and transportation. Our virtual only teachers are returning to the classrooms to help with the numbers as well. We are excited to have students eager to return!

- Our car rider dismissal will begin at 3:45 starting tomorrow, Monday! This 5 minutes adjustment should help with clearing the main road to allow buses to begin dismissal as well.
- School arrival: 9:50-10:00. After 10:00AM, students are marked tardy.
- Dismissal: Car riders: 3:45-4:00 – Bus riders 4:00-4:10.
- Everyone will receive information from your child's teacher that includes, schedules, expectations, general information you need to know and suggested supplies.
- We are always accepting donations in the classroom of tissues and extra supplies that can be given to those who may not have any. We try to maintain extras but I know we have a very generous community so any additional supplies are welcome and appreciated. Extras will be placed in a bin and kept for isolated before they are distributed or used by anyone as an extra safety measure.
- Daily car riders were previously sent the parking lot layout and traffic flow for the lot. We will be handing out any new dashboard cards on Monday morning as cars arrive. We may have a few extra people bringing students because they are working out bus issues. Please be patient with us if there is a delay. We appreciate your flexibility and patience!
- **At this time, we can not allow for surprise car riders.** Students are car riders or they are bus riders. We have a few exceptional cases where two days a week they are bus and two days car. Those with this situation need to contact Ms. Kasulke to set up how to accommodate, if possible, and will receive a dashboard card. If you have a family emergency and need your student, please call the office and let the secretaries know that you will be picking up before the dismissal time. The building is closed to the public unless there is an appt.
- All students are welcome to have a grab and go breakfast. You may speak with your child and let them know they are welcome to decline it by saying "No thank you!" School lunch is available to all students for free. Your student may choose to have lunch or you may send in a lunch.
- Please make all efforts to schedule appointments for students during their virtual week so that they are able to maximize their Face to Face time with their teacher.
- **AM car riders** will unload once staff is in the parking lot to guide and direct for safety. The drop off window is 9:50-10:00. On the first day, we will begin a little at 9:40 to allow for the distribution of the dashboard signs and answer any questions.
- **PM car riders** will pull up just like the morning time and wait in their car. The dashboard sign should be displayed on the dashboard on the DRIVER's side. The staff will have you sign the student out using a clipboard. Students will be called beginning at 3:45-4:00. Anyone arriving after 4:00 will need to wait until all buses have been dismissed.
- If your child is going to be a **daily car rider**, please make sure you have completed the form at the following link:  
[https://forms.office.com/Pages/ResponsePage.aspx?id=yp8tAqNgrEqakMGOUaxSftm4okmw\\_3hDjqu5YYCr0ddUN1IJQtK0Q1RaVFIDUU5KQ1MzSjhXTIY0Uy4u](https://forms.office.com/Pages/ResponsePage.aspx?id=yp8tAqNgrEqakMGOUaxSftm4okmw_3hDjqu5YYCr0ddUN1IJQtK0Q1RaVFIDUU5KQ1MzSjhXTIY0Uy4u)
- We have had 5 "first days" of school so far and tomorrow will be the 6<sup>th</sup>! It's been a long journey with lots of ups and downs, but we feel like we are on the up swing of things! Looking forward to seeing our 3-5 B group tomorrow for the first time!
- Even though we had some "Virtual learning days" instead of our hybrid days, we sure LOVED having the boys and girls back in the school!! It was a GREAT restart! The teachers shared that the students remembered their routines well and we noticed how many of them knew exactly where their classrooms were!! We post pictures on our Twitter page as we visit classrooms! Check them out!
- DreamBox and Lexia are two programs we have invested in because they work! Both programs will self adjust based on your child's responses and time they took to respond. Please remember not to help them with these programs as it will skew their progress and may result in the student being asked questions that they can not complete independently. Student who are STRUGGLING should do MORE time on these programs. The research shows that working through these programs can CLOSE GAPS in learning. Attached is a parent guide for Dreambox. You may have received it from your teacher too. When families sign up for **the Family Dashboard**, they are better able to monitor their child's progress in DreamBox and can even see demo versions of the exact activities their child has been doing over the past 30 days.
