Yearbook Update:

The 2020/2021 Yearbooks will look very different from previous years due to virtual learning. We feel it is a great idea to continue the tradition of the SES Yearbook so that the kids have a keepsake to look back on and reflect. To accomplish this, we will need all parents and teachers to help make this a memorable yearbook.

We have several parents who have volunteered to oversee collecting pictures from their children's class. If your teacher has asked for volunteers, please let that teacher know as soon as possible if you can help. Also, if you have any candid pictures that you have taken with other SES children at any special events, please send them to the email address for yearbooks sesfsoyearbook@gmail.com. Examples of pictures we are hoping to receive are any pictures that you have taken during an outing this school year with other SES children or siblings that involve sports, special events and/or candid shots.

Also, if you have taken any pictures throughout the school year while your child has been online during virtual learning, please include those as well. Every parent probably took at least one photo of what our virtual learning environment looked like at the beginning of the year, so please send those in as well.

When sending in the pictures, please include who is in the picture, grade, teacher, and event and a contact number in case we have any questions. Questions or pictures can be emailed to sesfsosecondvicepresident@gmail.com and include "Yearbook" in the subject line. Thank you.

The FSO has developed a user friendly website that can be accessed through the Sunderland Elementary page at <https://sesweb.calvertnet.k12.md.us/parents/fso> **How can you support SES FSO??**

We would love to have every family join the FSO so if you would like to become a member, please click here: <https://www.sunderlandfso.org/membership>

Counselor's Corner from Ms. Hilton: January 24, 2021

- January 25 – 28 is Random Acts of Kindness Week! Below are two links to “The Great Kindness Challenge” 50 Kind Acts checklist and instructions for a few of the activities. How many acts of kindness can you do this week? Join SES and spread kindness throughout our community! I will also have a discussion post in my Schoology group for students to share pictures or comments about the acts of kindness they do this week. Also, check out the “Random Acts of Kindness/Great Kindness Challenge” folder in my Resources tab for the links below and additional activities! Get out there and spread some kindness!

“There’s no such things as a small act of kindness. Every act creates a ripple with no logical end” ~ Scott Adams

- During the month of January, we will focus on “goal setting” during Classroom Counseling lessons. Setting goals is the first step to success! Talk with your student about the academic goal(s) they would like to set for the remainder of the school year—don’t forget to right down the goal(s) and celebrate the small steps toward achieving your goal!
- If you are interested in joining the SES School Counselor Schoology group (students are already added), you may use the following code: 7MSM-FRZ3-F5XMZ. The following video can assist you with this process: https://www.youtube.com/watch?v=AY7Rh2Oi_0A

The Sunderland Heartfelt program has begun! The Heartfelt program, supported by community churches, provides a weekly backpack consisting of small meals, snacks, and supplemental food items for the weekend. If your family would benefit from participating, please contact Ms. Hilton (443-550-9387; hiltond@calvertnet.k12.md.us).

Past Information

Internet Safety flier, Grab and Go Meals Info

We continue to work virtually with all students until further notice. However, we will be making some adjustments to schedules for Kdg and 3-5 classes. Grades 3-5 will be receiving schedules that reflect more of the concurrent/hybrid schedule that will be effective February 1st. All schools have been asked to adjust grades 3-5 to a full day schedule effective no later than Feb 1st.

Our Kdg team will be making some adjustments to reflect the feedback we have received from families with concerns about the stamina and attention to task for our Kdg students. We have some parameters from our school system that we must adhere to but we are working to make it better for our students. Please be patient with us as we make the adjustments. The teachers are working on the adjustments and will share once finalized.

Happy New Year! We all have high hopes for 2021 to be a better year regarding the global pandemic we are currently experiencing! As you know, CCPS has decided to postpone the hybrid plan until further notice due to rising Covid numbers.

I will continue to send a letter when students or staff are tested positive for Covid. It is a way to keep you informed. Moving forward, I will include the number of staff or students who tested positive. We have protocols that we follow within our school and the letter is one part of that protocol. I am attaching a Covid letter to this newsletter because we had one staff member who tested positive today.

Our 5th graders will be receiving a link later this week if they would like to apply for a position as a news anchor on our Seahawk News. Much thanks to Mrs. Wolfe, Mrs. Sydnor and Mrs. Powell for working together to get it started again! It will be virtual but it will be a great way for the students to start their day!

At this time, I do not have other information to share regarding a return date or when numbers will stabilize. I do want to share that I have a meeting coming up this week where we will discuss schedules. Once I know more information, I will communicate to you. When a new timeline is determined, I will send it out. I appreciate the support you continue to offer to our teachers and staff; it truly means the world to us! ~ *Pam Kasulke*
