Counselor's Corner: September 2020

Hello Seahawk Families!

It is hard to believe, but we have made it through the first two-weeks of school! Congratulations to teachers, staff, students, parents, and family members for working so hard together to make the first few weeks of online teaching and learning as smooth as possible! I know there have been challenges, but there have also been successes! Next week, I will add all students to my "SES School Counselor" Schoology group and send invitations for parents to join. In my Schoology group, you will find Parent Resources, a link to my Bookings page to schedule virtual meetings, a Virtual Calming Room, welcome trailer, and more. I will continue to add information and resources throughout the year. Please do not hesitate to contact me if you or your children have any questions or concerns—I am here to support our Seahawk families! Have a wonderful weekend and enjoy the lovely fall-like weather!

Danielle Hilton, School Counselor
